To secure a challenging position in a reputable organization where I can leverage my proficiency in Laravel, Tailwind CSS, Bootstrap, SQL, and Java. I aim to contribute to the company's success by applying my technical skills and fostering collaborative teamwork. With strong communication abilities and a commitment to continuous learning, I am eager to support organizational goals and advance my professional development.

## Work Experience

---

### MediaOne Software Solutions

#### Intern – Full Stack Developer

##### March 2024 – Present

- Contributed on making POSIMS Systems using Laravel, MySQL, Bootstrap CSS, and Nginx
